Dear Nick,

Congratulations! The Council for Supplier Diversity is pleased to inform you that Carrier Management Strategies ("CMS") has successfully completed the registration and verification process, validating your company as a diverse business enterprise.

Your registration as a qualified diverse business enterprise provides you with valuable capacity building resources and business development programs to help grow your business. The Council offers many excellent formal and informal opportunities to connect with corporate buyers and decision-makers who are interested in working with qualified diverse suppliers. We also offer opportunities for you to expand your professional network while supporting economic development in underserved communities.

Certification(s) Verified: MBE: Pacific Southwest Minority Supplier Development Council
MBE: The Supplier Clearinghouse
SB: Department of General Services

Council Registration Number: 122013068

Registration Expiration Date: December 31, 2017

Your registration is valid for one year. In order to continue receiving Council benefits, please re-register your company at least 30 days prior to your expiration date. It is important to notify our Council of any change in your address or contact information to ensure that you receive all correspondence and notices about our programs, events and sourcing opportunities.

We are extremely happy that you have chosen to participate with our Council as we bring innovation and value added strategies to the disciplines of supplier diversity.

Sincerely,

A handwritten signature in black ink that reads "Linda Hom".
